

ABITHA B

Chennai, Tamil Nadu | +91-7200569021 | abithaabi327@gmail.com

CAREER OBJECTIVE

B.Tech student in Artificial Intelligence and Data Science with practical exposure to Internet of Things (IoT) and Python. Completed an IoT course and an IoT internship, with a project based on a Smart Pet Feeder. Seeking an AI / Machine Learning internship to apply my academic knowledge, develop practical skills, and learn emerging technologies.

EDUCATION

B.Tech – Artificial Intelligence and Data Science

Annai Veilankanni's College of Engineering, Chennai | 2023–2027

12th – Higher Secondary

Government Girls Higher Secondary School

10th – Secondary School

St. Columbus Higher Secondary School

TECHNICAL SKILLS

IoT: IoT Fundamentals, Arduino, Sensors, Actuators, Embedded Systems Basics, IoT-based Automation

Programming: Python Basics

INTERNSHIP

IoT Intern

Completed an IoT internship with practical exposure to IoT concepts and IoT-based applications. Gained an understanding of how sensors, actuators, and embedded components can be used to develop automation-based solutions.

PROJECT

Smart Pet Feeder – IoT Based Project

Developed an IoT-based Smart Pet Feeder concept to automate pet food dispensing. The project demonstrates the use of IoT components and automation concepts to support controlled and convenient pet feeding.

CERTIFICATION

IoT Course Certificate – Successfully completed an Internet of Things (IoT) course.

STRENGTHS

- Quick learner with strong interest in AI, Machine Learning, and IoT
- Problem-solving mindset and willingness to learn
- Good communication skills in Tamil and English
- Team player with a positive and responsible attitude
- Adaptable and motivated to learn new technologies

AREAS OF INTEREST

- Artificial Intelligence
- Machine Learning
- Deep Learning – Basic Interest
- Internet of Things (IoT)
- AI-based Applications

AI / MACHINE LEARNING CAREER PREFERENCE

Seeking an internship opportunity specifically in **Artificial Intelligence, Machine Learning, or AI-based applications**, where I can gain practical industry experience, strengthen my technical knowledge, and contribute to real-world projects.

ACADEMIC & PROJECT EXPOSURE

- B.Tech coursework in Artificial Intelligence and Data Science
- IoT course completion with practical learning
- IoT internship experience
- Smart Pet Feeder IoT project
- Basic Python knowledge

PERSONAL STRENGTHS

- Self-motivated learner
- Responsible and punctual
- Positive approach to challenges
- Comfortable working independently and in a team

DECLARATION

I hereby declare that the information provided above is true and correct to the best of my knowledge.
